

## MAGICRETE® flexible paver molds price list

[www.magicrete-molds.com](http://www.magicrete-molds.com)

Our molds are manufactured from high-quality polyurethane with hardness ranging from A30 to A55 shore and have a service life of up to 1500 cycles (6 years). Polyurethane forms are capable of copying even the finest texture, which means that any natural material is being imitated to the smallest detail. Our forms do not require special equipment for demolding. You can visit our web-site for concrete product reference: [www.magicrete.cz](http://www.magicrete.cz)
